

March/April PTO News

It is hard to believe Spring is just around the corner, Upcoming Events:

I think everyone is ready to start seeing some budding flowers, some warmer weather and to be able to finally get outside more often. The Spring Art Project was completed and sent out just before February vacation. Your child's artwork should be coming back soon to be sent home for you to enjoy and possibly order a memorable keepsake. Thank you to all of the parents who came in to help me with this project. I would also like to say thank you to Mrs. Wilkie for once again putting her lessons on hold and allowing the children to create wonderful masterpieces for the art project.

On February 5, we had our first Ladies Choice Dance. For those of you who didn't attend, it was a huge success and everyone had a great time. I would like to say thank you and great job to Laura Kozielski for all her hard work. We are definitely looking forward to this being an annual event.

I would also like to tell you about the first Boys Choice Event which will be taking place on March 20. This is for boys and their mom, aunt, grandma or family friend over 18. The event will consist of karate, obstacle courses, games and board breaking. It should be lots of fun. Volunteers are needed, if you are interested in helping, please contact Lisa Bader at L_Bader@hotmail.com.

C.L.A.S.S. is off to a great start with just over 200 students enrolled in 15 different classes. Thank you Sue Coughlin for all of your hard work once again in organizing this huge after school program which enriches are children and is so popular.
